## Painting for All Levels

Waimea College Evening Adult Education

Monday 6.30 – 9.00 pm, 4 Terms during the year

A fun and relaxed painting class for the beginner through to the experienced artist. Choose your medium to paint in (eg: acrylics, oils or watercolours). Each session will begin with a short introduction on a different subject (e.g. colour theory, values, perspective, figures, composition, painting from life vs. photograph). Then the lesson will continue “one on one” to further develop and explore your own subject and style. Paint from a still life or your photograph.

Tutor: Nicole Russell

## Watercolour Journaling

Watercolour Journaling is the ideal painting class for the travelling artist (beginner or advanced). Imagine you are a tourist equipped with a little watercolour sketchbook, a few watercolours, pencil and black pen and you have 20 minutes to capture a scene before the bus leaves again...

In Nicole's Watercolor Journaling class you will be creating small keepsakes of your journey that are worth much more than a photograph. During this class you will practice figures, negative spaces, water and trees, and of course perspective, in a fun and relaxed atmosphere. Nicole will be demonstrating each step, guide you through a few practice runs and you will finish with your final painting. This class is for beginners as well as experienced artists. Each week will be at a different location in Nelson/Richmond.
